Dear Taxpayer:

This is to inform you of a change in our sales and use unabated school tax rate decrease adopted by the City Council of the City of Pell City. Effective October 1st, 2014 at 12:01 a.m., the Sales and Use Unabated School Tax rate for abatement applied taxpayer(s) has decreased by .20% for the City. Taxes will be due and payable by the 20th day of the month as normal following the month of collection. Penalties and interest will accrue beginning on the 21st day. Please take all necessary measurement(s) to ensure a successful and smooth transition to the new decreased tax rates and associated changes.

The City will continue to share additional tax with the City of Pell City School System in an effort to keep the education of our children top priority. A revised tax form is enclosed reflecting the changes for your convenience. Additionally, those paying taxes due for the Pell City School System not under an Abatement Certificate or Agreement are not abated.

The rates will be as follows:
