This form is intended as a simplified, standard mechanism for businesses to initiate contact with a municipality concerning their activities within that city. A business license will be required prior to engaging in business. If a business intends to maintain a physical location within the city, there are normally zoning and building code approvals required prior to the issuance of a license.

In certain instances, a business may simply be required to register with the city to create a mechanism for the reporting and payment of any TAX liabilities. If that is the case, you will be provided the materials for reporting following the registration process. The form can be emailed to you, if you desire, to be available for printing for each period. Be sure to provide your email address on the application.

The completion and submission of this form does not guarantee the approval or subsequent issuance of a license to do business. Any prerequisites and/or documents required for a particular type and location of the business must be satisfied prior to licensing.

SHOULD THERE BE ANY QUESTIONS CONCERNING THE COMPLETION OF THIS FORM OR THE LICENSING AND/OR TAX REGISTRATION PROCESS, PLEASE CALL 205-338-2244, ext. 107, 110, or 111 TO OBTAIN MORE DETAILS OR FOR FURTHER EXPLANATION. 109, 117
