The St. Clair Children's Advocacy Center (The Children's Place) is available to all children and families in St. Clair County. The center provides Forensic interviews and therapy for victims of sexual and physical abuse and their non-offending family members. Prosecution occurs were the crime is committed so the family does not always live in Pell City. These services are offered free of charge. In 2018 we provided 164 child interviews and 200 parent interviews. We provided 310 counseling sessions. There is not an exact break down of how many just in Pell City. We provide school based abuse prevention programs to all children in Kindergarten through 8th grade classrooms in Pell City and St. Clair County school systems. (2017-2018) school year we served a total of 8198. Pell City alone we served 2510.
