

**If your organization serves a population outside of Pell City, please quantify the proportion of services that benefit the residents of Pell City**

The *St. Clair County Children's Policy Council* serves all of St. Clair County. We have representatives on our Council from all over our area. We request equal funding from the County and from Pell City. This allows us to provide resources to anyone who lives, works and goes to school in St. Clair County.

Monies that we receive from Pell City are used in Pell City.  
Monies that we receive from St. Clair County are used in the county.
