ADDITIONAL INFORMATION	
The Pell City Board of Education Steering Committee and The City Council for the City of Pell City request applicants provide additional information on their candidacy for appointment. Please respond to the following questions. Responses per question should be limited to 500 words or fewer.	
Why are you interested in serving on the Pell City Board of Education?	I have three children in the school system and care about their education as well as the education of children within the community. I believe that I can positively contribute to the school system if selected to serve as a board member.
List your prior involvement in the Pell City School System or other public or private school systems.	I graduated from PCHS in 1998 and have children in eleventh, eighth, and sixth grades.

Potential conflicts (Check all that apply. Does not disqualify from service)-I have have children or relatives enrolled in the system. yes

Potential conflicts (Check all that apply. Does not disqualify from service)-I have relatives employed by the system. yes

Potential conflicts (Check all that apply. Does not disqualify from service)-I provide services or conduct business with the system. no

Disclose any other potential conflicts that may arise during your service. I have children in the school system and a sister who works in the system.

What strengths, abilities, education, or experiences uniquely qualify you to serve? Include any significant contributions to Pell City and/or the community at large. I have worked in a management role my entire, 20+ year career and have been tasked with decision making and oversight at different levels. I believe this experience could be helpful if selected to serve on the school board. Mostly, Pell City is my home. Its where my wife and I have raised our children and watched them grow, along with many of their friends. I care about these kids and want to see them succeed. My wife serves as the Preschool Director at Cropwell Baptist Church, and we have both seen countless children come through the church, well before they enter the school system. Getting to know these kids and their families could just be the tipping point in my interest to apply. I believe we all owe it to every kid in the community to create an environment for the best education possible.

What goals should the Pell City Board of Education prioritize over the next 3-5 years? Include things you think Pell City Schools are doing well and should be supported, and things you would seek to improve. The goal of the school system should be to create an environment to attract the best possible educators, administrators, coaches, and support staff, give them the tools required to succeed, and then allow them to do their jobs. I am certain that there are things that could be done better but I'm not willing to offer criticism towards anything that I have not been willing or able to be involved.

APPLICANT RESUMES ARE WELCOME BUT NOT REQUIRED

The Pell City Board of Education Steering Committee will review resumes submitted with a candidate's application packet. Please attach resumes as PDF documents when submitting this application.
